

Thank you for your interest in the Morris Land Trust Conservation/ Agricultural Sciences Scholarship. The award of \$1,000 will be given for one (1) year. Before beginning the application process, please be sure that you meet the criteria listed below. If you have any questions or need assistance with your application, please call Kathleen Woods at 857 205 4976.

Qualification Criteria:

1. The applicant must be a current year high school senior from Morris CT.
2. The applicant must have an interest in conservation, ecology, sustainable agriculture, earth sciences and/or environmental science and be accepted into a program of higher education or vocational training that is aligned with one of the above mentioned disciplines.
3. The applicant may be asked to participate in an interview with the Morris Land Trust.

Application:

1. Cover letter detailing your interest in conservation/ agricultural science and how it aligns with your future career goals. Include a brief description of any extra curricular, volunteer and/or community service activities in which you have participated while in secondary school.
2. Official school transcript.
3. Recommendation from a teacher, guidance counselor, employer or mentor.
5. Letter of acceptance from the school you plan to attend confirming your acceptance.

Deadline: All information and attachments must be submitted by **April 22, 2026**.

Applications missing any of the required documents will be considered incomplete and will not be reviewed until all materials have been submitted.
